

Get math & stats help HERE!

The Department of Mathematics and Statistics offers a **free**, walk-in, **Q&A style learning service** and **study space** right here in Ross S525. It is available to everyone enrolled in a first or second year mathematics or statistics course.

Hours and Schedule

10:30 am to 4:30 pm, Monday to Friday

We will be *closed* during the reading week (February 20 to 24), Good Friday (April 7) and the winter study day (April 11).

Up-to-date tutor schedule can be found by visiting the following website.

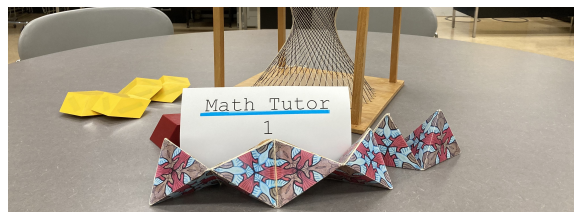

Link to schedule: <https://ktychan.gitlab.io/misc/mathlab/>

How to get help?

You can expect to receive one-on-one help from graduate students in the Department of Mathematics and Statistics. They can help you understand concepts relevant to your studies, work through practice exercises, or answer any general math-related questions.

Approach one of the friendly tutors identified by signs that read *Math* or *Stats Tutor*. Then **ask** away!

Please note tutors *cannot help you with for-credit exercises* such as quizzes, assignments, and take-home tests.
