

# Get help with math & stats

10:30 am to 4:30 pm, Monday to Friday @ Ross S525

## Students' Guide (Winter 2023)

The Department of Mathematics and Statistics offers a **free**, walk-in, **Q&A style learning service** and **study space** called *Math & Stats Lab*. This service is available to all students enrolled in a first or second-year mathematics or statistics course.

Everyone is welcome! Including non-math majors!

## Location, Hours, and Schedule

Visit us in **Ross South, Room 525**. We open **Monday to Friday from 10:30 am to 4:30 pm** during the Winter 2023 term, *excluding* the reading week (February 20 to 24), Good Friday (April 7) and the winter study day (April 11).

You can find an *up-to-date tutor schedule* by visiting the following website.

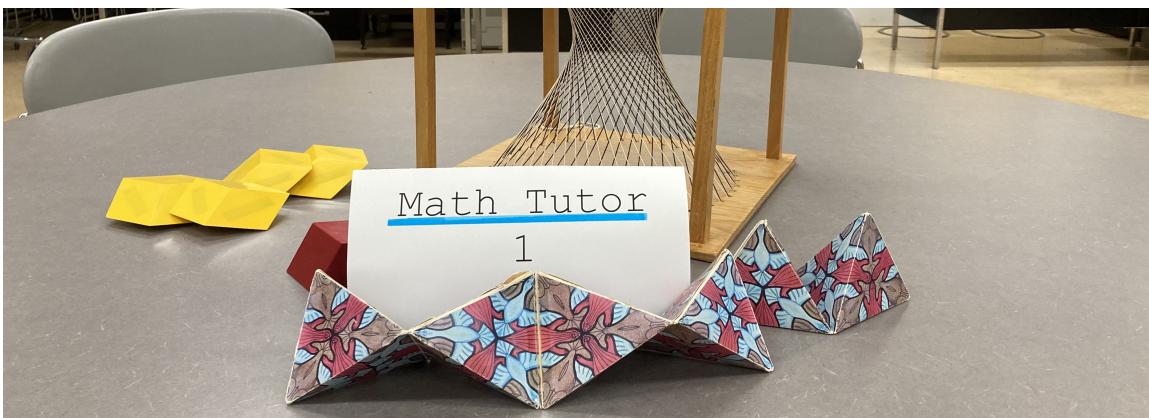

Link to schedule.

# How to get help?

You can expect to receive one-on-one help from graduate students in the Department of Mathematics and Statistics. They can help you understand concepts relevant to your studies, work through practice exercises, or answer any general math-related questions.

**Approach** one of the friendly tutors identified by signs that read *Math or Stats Tutor*. Then ask away!

Please note tutors cannot help you with for-credit exercises such as quizzes, assignments, and take-home tests.

## Help us to help you better!

Please tell us about your experience in the Lab by filling out a feedback form.
