

Math & Stats

Help Centre and Study Hub

Ross South 525
10:30 am to 4:30 pm, Monday to Thursday

- ❓ Need help with course material? ✅ Yes! Talk to one of our tutors.
- 🏫 Need study space? ✅ Yes! And you can doodle on blackboards.
- 💰 It is all FREE!

Math & Stats **Help Centre and Study Hub** (formerly Math & Stats Lab) is a free, walk-in, Q&A style learning service and study space offered by the *Department of Mathematics and Statistics*. This service is available to all students enrolled in a first or second-year mathematics or statistics course.

Everyone is welcome! Including non-math majors!

Location, Hours, and Schedule

Visit us in **Ross South, Room 525**. We are open **Monday to Thursday from 10:30 am to 4:30 pm** during the Summer 2023 term, *excluding* the Congress week (May 29 to June 2), summer break (June 27 to 30), Canada Day long weekend (July 3) and after August 15.

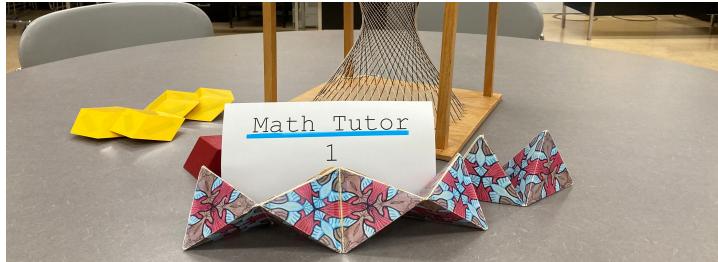

You can find an *up-to-date tutor schedule* by visiting the website below or scanning the QR code.

How to get help?

Approach one of the friendly tutors identified by a tutor signs. Then ask away!

You can expect to receive one-on-one help from graduate students in the Department of Mathematics and Statistics. They can help you understand concepts relevant to your studies, work through practice exercises, or answer any general math-related questions.

Please note tutors *cannot* solve for-credit exercises for you. This includes quizzes, assignments, and take-home tests and exams. However, they will help you understand the course material relevant to for-credit exercises.

Help us to help you better!

Please tell us about your experience in the Lab by filling out a feedback form.
