

Math & Stats Lab (Ross S525)

10:30 am to 4:30 pm, Monday to Friday

Winter 2023 Students Guide

The Math & Stats Lab is a FREE (!), walk-in, one-on-one **Q&A style tutoring service** and **study space** offered by the Department of Mathematics and Statistics for all first and second-year students enrolled in a mathematics or statistics course.

Everyone is welcome! You do *not* need to be a math related major to access this service.

Location, Hours, and Schedule

The Lab is located in **Ross S525**. It opens **Monday to Friday at 10:30 am** during the Winter 2023 term, *excluding* reading week (February 20 to 24), Good Friday (April 7) and winter study day (April 11). The Lab closes daily at 4:30 pm.

Up-to-date tutor schedule can be found by visiting the following website.

How to get help?

Simply approach one of the tutors identified by signs that read *Math or Stats Tutor*.

You can expect to receive one-on-one help from graduate students in the Department of Mathematics and Statistics. They can help you understand concepts relevant to your studies, work through practice exercises, or answer any general math-related questions.

Please note tutors *cannot* help you with for-credit exercises such as quizzes, assignments, and take-home tests.

Help us improve MathLab!

Please tell us about your experience in the Lab by filling out a feedback form.
